

# glōConditioning Milk Cleanser

**Mission Statement** A soothing, softening and moisturizing cleanser that gently removes impurities. May be used all over the face and as an eye makeup remover.

**Recommended For** Normal, dry, combination, aging and sensitive skin

**Active Interest**

- Jojoba Oil** - a natural ingredient that calms and soothes the skin
- Shea Butter** - moisturizing emollient that regenerates the skin
- Safflower Oil** - hydrating emollient with skin moisturizing properties
- Rose Hip Seed Oil** - a soothing emollient that contains concentrated fatty acids
- Hyaluronic Acid** - humectant that supports water retention by holding up to 1000 times its weight in water
- Grape Seed Extract** - powerful antioxidant with protective and reparative properties

**glōComplex** **Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron)**

**pH** 6.02

**Directions** Massage a small amount of cleanser onto face. Gently remove.

**Composition** Aqua (Distilled Water), Glycerin, Aloe Barbadensis Leaf Extract, Carthamus Tinctorius (Safflower) Seed Oil, Cyclomethicone/Dimethicone Copolyol, Caprylic/Capric Triglyceride, Hyaluronic Acid, Cetyl Alcohol, Simmondsia Chinensis (Jojoba) Seed Oil, Cetearyl Alcohol, Butyrospermum Parkii (Shea Butter), Squalane, Glyceryl Stearate, Rosa Canina (Rose Hip) Seed Oil, Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron), Xanthan Gum, Benzyl Alcohol, Vitis Vinifera (Grape) Seed Extract, D-beta-fructan, D-beta-glucosamine, Rubus Idaeus (Raspberry) Seed Oil, Citrus Paradisi (Grapefruit) Peel Extract, Passiflora Incarnata Flower Extract, Fragrance Oils, Gluconolactone, Sodium Benzoate

**Works well with** Retail products: glōConditioning Tonic, glōConditioning Hydration Cream, glōConditioning Restorative Cream, glōPeptide + Defense, glōPure Hydration, glōSoothing Gel Mask

Professional products: glōLactic, glōPumpkin Enzyme Scrub, glōSoothing Gel Mask, glōModified Jessner

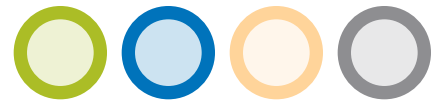

# glōConditioning Tonic

<b>Mission Statement</b>	A hydrating and soothing tonic with beneficial antioxidants to balance the skin.
<b>Recommended For</b>	Normal, dry, combination, aging and sensitive skin
<b>Active Interest</b>	<b>Hyaluronic Acid</b> - a natural component that provides water binding properties to aid in skin moisturization <b>EGCG</b> - potent antioxidant derived from heart of green tea <b>Chamomilla Recutita (Matricaria) Leaf Extract</b> - antibacterial, anti-inflammatory and skin brightener <b>Rose Hip Seed Oil</b> - concentrated in fatty acids and is a soothing emollient
<b>glōComplex</b>	<b>Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitrene)</b>
<b>pH</b>	5.85
<b>Directions</b>	After cleansing skin, apply tonic with a cotton pad and gently wipe over face.
<b>Composition</b>	Aqua (Distilled Water), Hyaluronic Acid, Glycerin, Epigallocatechin Gallate (EGCG), Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitrene), Lavandula Angustifolia (Lavender) Extract, Chamomilla Recutita (Matricaria) Leaf Extract, Rosa Canina (Rose Hip) Seed Oil, Rubus Idaeus (Raspberry) Seed Oil, Citrus Paradisi (Grapefruit) Peel Extract, Passiflora Incarnata Flower Extract, Fragrance Oils, Gluconolactone, Sodium Benzoate
<b>Works well with</b>	Retail products: glōConditioning Milk Cleanser, glōConditioning Hydration Cream, glōConditioning Restorative Cream, glōPeptide + Defense, glōPure Hydration, glōSoothing Gel Mask  Professional products: glōLactic, glōPumpkin Enzyme Scrub, glōSoothing Gel Mask, glōModified Jessner

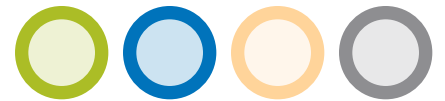

# glōConditioning Hydration Cream

<b>Mission Statement</b>	An antioxidant rich blend that nourishes, strengthens and supports dry, weakened skin.
<b>Recommended For</b>	Normal, dry, combination, aging and sensitive skin
<b>Active Interest</b>	<b>Alpha Lipoic Acid</b> - potent antioxidant that defends against free radicals <b>Collagen</b> - helps to physically support skin and enhance elasticity <b>Soy Isoflavones</b> - antioxidant and anti-inflammatory properties that help protect against environmental stressors <b>Retinyl Palmitate</b> - stimulates the production of epidermal protein, reduces fine lines and conditions skin <b>D-beta-fructan</b> - conditions and helps retain moisture <b>D-beta-glucosamine</b> - alleviates skin dryness and facilitates exfoliation
<b>glōComplex</b>	<b>Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron)</b>
<b>pH</b>	6.36
<b>Directions</b>	Apply to skin after cleansing and toning. Layer over glōSerums for additional treatment benefits.
<b>Composition</b>	Aqua (Distilled Water), Caprylic/Capric Triglyceride, Glycerin, Coco-Caprylate/Caprate, Hexadecyl D-glucoside, Octadecyl D-glucoside, Alpha Lipoic Acid, Glyceryl Stearate, Xanthan Gum, Collagen, D-alpha-tocopherol, Soy Isoflavones, Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron), Retinyl Palmitate, D-beta-fructan, D-beta-glucosamine, Benzyl Alcohol, Citrus Paradisi (Grapefruit) Peel Extract, Passiflora Incarnata Flower Extract, Rubus Idaeus (Raspberry) Seed Oil, Fragrance Oils, Gluconolactone, Sodium Benzoate.
<b>Works well with</b>	Retail products: glōConditioning Milk Cleanser, glōConditioning Tonic, glōConditioning Restorative Cream, glōPeptide + Defense, glōPure Hydration, glōSoothing Gel Mask  Professional products: glōLactic, glōPumpkin Enzyme Scrub, glōSoothing Gel Mask, glōModified Jessner

# glōConditioning Restorative Cream

## Mission Statement

Combines emollient, protective and non-greasy natural oils with therapeutic extracts and actives chosen for their antioxidant, reparative and immune-enhancing properties. This product will provide instantaneous relief for dry, stressed skin and provide the ingredients needed for skin to become stronger and healthier.

## Recommended For

Normal, dry, aging, mature, fragile, thin, rough, sun & environmentally damaged skin

## Active Interest

**Squalane** – a colorless, odorless and greaseless oil derived from olives that penetrates skin deeply to moisturize, nourish, repair and facilitate the absorption of other actives

**Black Current Seed Oil** – a rich source of 2 essential fatty acids to provide nutritional supplement

**Jojoba Seed Oil** – naturally occurring oil that resembles skin's sebum and provides moisturizing, protective, anti-inflammatory and healing benefits

**Rose Hip Seed Oil** – an organic cold pressed oil containing 2 essential fatty acids will soothe and provide emollient benefits

**Buddleja Davidii Extract**- an antioxidant that protects the skin from environmental stress, helps to heal skin and may reduce hyperpigmentation

**Cocoa Seed Butter** – naturally rich in antioxidants, helps soften and protect skin

**EGCG (Epigallocatechin Gallate)** – potent antioxidant extracted from the active constituents in green tea provide anti-inflammatory benefits

**Resveratrol** – a polyphenolic antioxidant commonly found in red grapes and wine with anti-inflammatory benefits

**Oat Beta Glucan** – helps support immune response and healing

## glōComplex

**Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron)**

## pH

3.85

## Directions

Apply to skin after cleansing and toning. Layer over glōSerums for additional treatment benefit.

## Composition

Aqua, Squalane, Helianthus Annuus (Sunflower) Seed Oil, Butyrospermum Parkii (Shea Butter), Glycerin, Caprylic/Capric Triglyceride, Polawax, Cetearyl Oliviate, Sorbitan Oliviate, Cyclopentasiloxane, Dimethicone, Nigrum (Black Currant) Seed Oil, Theobroma Cacao (Cocoa) Seed Butter, Rosa Rubiginosa Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Buddleja Davidii Extract, Thymus Vulgaris (Thyme) Extract, Alcohol Denat. (Ethanol), Epigallocatechin Gallate (EGCG), Resveratrol (Wine), Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron), Oat Beta Glucan (Beta Glucan), D-alpha- tocopherol, \*Citrus Paradisi (White Grapefruit) Peel Oil, Prunus Serotina (Wild Cherry) Bark Extract, Cerasus Serotina (Black Cherry) Extract, Prunus Cerasus (Tart Cherry) Extract, Citrus Medica Limonum (Lemon) Peel Oil, Hamamelis Virginiana (Witch Hazel) Extract, Xanthan Gum, Gluconolactone, Sodium Benzoate

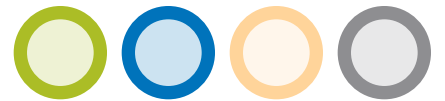

## Works well with

Retail products: glōConditioning Milk Cleanser, glōConditioning Tonic, glōConditioning Hydration Cream, glōPeptide + Defense, glōPure Hydration, glōSoothing Gel Mask

Professional products: glōLactic, glōPumpkin Enzyme Scrub, glōSoothing Gel Mask, glōModified Jessner

# glōConditioning Restorative Mask

**Mission Statement** A comprehensive care treatment that cools on contact. Infused with effective ingredients that strengthen and deeply hydrate to improve elasticity and overall skin health.

**Recommended For** Dry, menopausal, aging, sun damaged, post treatment, inflamed skin types

**Active Interest**

- Ribes Nigrum (Black Currant) Seed Oil**- promotes healthy cell respiration, stimulates micro-circulation for improved active absorption and oxygenation
- Dioscorea Villosa (Wild Yam) Root Extract**- assists in tissue repair and anti-wrinkle activities, balances hormonal responses to limit breakouts and wrinkle formation
- Vitis Vinifera (Grape) Seed Extract**- highly antioxidant; protects vitamin E content within the skin and limits damage from peroxide byproducts that cause cellular breakdown
- Lecithin**- strengthens the tissues; promotes ingredient absorption; assists in wrinkle repair
- Soy Isoflavones**- protects extracellular proteins that are responsible for firmness and turgor; rich in phytochemicals that repair and protect the skin
- Trifolium Pratense (Red Clover) Flower Extract**- acts as a secondary method of hormonal balancing; provides heightened anti-wrinkle actions; nourishes the skin
- Lentinus Edodes (Shiitake) Extract**- infuses the skin with amino acids and vitamins that encourage optimized cell and tissue function
- Oenothera Biennis (Evening Primrose) Oil**- improves barrier function; stabilizes the cell membrane to ensure healthy metabolic functions, nourishes and enriches the skin with amino acids and GLA (gamma-linolenic acid)
- Euterpe Oleracea (Acai) Fruit Extract**- highly antioxidant; prevents lipid peroxidation; infuses the skin with vitamins and phytochemicals that restore and maintain skin function

**glōComplex** **Phyllanthus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitroene)**

**pH** 5.46

**Directions** Apply an even layer to face after cleansing and toning up to 3 times per week. After 10 minutes the mask may be removed or left on skin for added hydration.

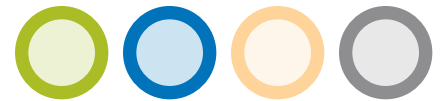

**Composition** Aqua (Water), Butylene Glycol, Glycerin, Butyrospermum Parkii (Shea Butter), Cyclopentasiloxane, Dimethicone, Theobroma Cacao (Cocoa) Seed Butter, Caprylic/Capric Triglyceride, Helianthus Annuus (Sunflower) Seed Oil\*, Dextran, Acetyl Tetrapeptide-2, Xanthan Gum, Ribes Nigrum (Black Currant) Seed Oil, Myrtus Communis (Myrtle) Extract, Menthyl Lactate, Cetearyl Oliviate, Sorbitan Oliviate, Cetearyl Alcohol, Polysorbate 60, Squalane, Alcohol Denat., Dioscorea Villosa (Wild Yam) Root Extract, Hamamelis Virginiana (Witch Hazel) Extract, Vitis Vinifera (Grape) Seed Extract, Lecithin, Soy Isoflavones, Rosa Canina (Rose Hip) Fruit Oil\*, Palmitic Acid, Stearic Acid, Myristic Acid, Simmondsia Chinensis (Jojoba) Seed Oil\*, Trifolium Pratense (Red Clover) Flower Extract, Linum Usitatissimum (Linseed) Seed Oil, Lentinus Edodes (Shiitake) Extract, Oenothera Biennis (Evening Primrose) Oil, Tocopheryl Acetate, Glycine Soja (Soybean) Oil, Euterpe Oleracea (Acai) Fruit Extract, Passiflora Laurifolia (Passionflower) Flower Extract, Cetyl Alcohol, Glycol Distearate, Titanium Dioxide (CI 77891), Allantoin, Phenoxyethanol, Dehydroacetic Acid, Salicylic Acid, Benzoic Acid, Benzethonium Chloride, Benzyl Alcohol, Carbomer, Polysorbate 80, Polysorbate 20, Propylene Glycol, Gluconolactone, Sodium Benzoate, Calcium Gluconate, Fragrance/Parfum

**Works well with** Retail products: glōConditioning Milk Cleanser, glōConditioning Tonic, glōPeptide + Defense, glōEye Restore

Professional products: All glōtherapeutics chemical exfoliation products to customize a treatment, glōBrightening Polish, glōPumpkin Enzyme Scrub

# glōBarrier Balm

- Mission Statement** Intense hydration that delivers immediate relief for extremely dry or chapped skin.
- Recommended For** Dry, combination, post-resurfacing treatment, extreme dryness/cracking
- Active Interest**  
**Rose Hip Seed Oil** - soothing and emollient; rich in vitamins A, C and E  
**Prickly Ash Bark Extract** - used by Native Americans to help heal and reduce the pain of wounds; also assists circulation and supports the lymphatic system  
**L-alpha-bisabolol** - derived from German Chamomile (*Matricaria Recutita*); has healing, anti-inflammatory and antimicrobial properties  
**D-alpha-tocopherol (vitamin E)** - antioxidant and emollient with healing properties  
**Squalane** - greaseless oil that deeply moisturizes nourishes and plumps the skin while facilitating the absorption of other actives
- glōComplex** **Phyllanthus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron)**
- Directions** Apply to skin after cleansing and toning. May be used in the day or evening. Layer over glōSerums for additional treatment benefit.
- Composition** Petrolatum, Zanthoxylum Americanum (Prickly Ash) Bark Extract, L-alpha-bisabolol, Rosa Rubiginosa Seed Oil, Phyllanthus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron), D-alpha-tocopherol, Squalane, Lavandula Hybrida Oil, Cymbopogon Martini Oil
- Notes** Can be applied to sunburns, but NOT sunburns that are still warm to the touch. The petrolatum in this product can trap the heat of fresh burns, and thus delay relief. Wait approximately 24 hours before applying to a sunburn.
- Works well with**  
Retail products: glōConditioning Milk Cleanser, glōConditioning Tonic, glōConditioning Hydration Cream, glōConditioning Restorative Cream, glōPeptide + Defense, glōPure Hydration, glōSoothing Gel Mask  
Professional products: glōLactic, glōPumpkin Enzyme Scrub, glōSoothing Gel Mask, glōModified Jessner
