

glōSoothing Gel Mask

Mission Statement A cooling mask containing a complex of soothing ingredients, antioxidants and vitamins to repair and calm sensitized skin. Excellent for skin recovering from exfoliation treatments, skin experiencing stress, or for skin simply in need of refreshing, healthy and calming attention.

Recommended For All skin types and skin conditions

Active Interest

Rose Hip Seed Oil - a soothing emollient

Vitamin E - chirally correct antioxidant that heals and repairs

Calendula Extract - a flower extract rich in antioxidants that soothes and calms

Wild Yam Extract - antioxidant filled with beneficial properties

EGCG - potent antioxidant derived from green tea

L-menthyl Lactate - cools and refreshes skin

Pomegranate Extract - source of Ellagic Acid that strengthens the cell membrane

Rutin - anti-inflammatory, protects capillaries from oxidative stress and prevents fragility

glōComplex

Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron)

pH

5.32

Directions

Apply a thin, even layer over face and leave on for 10-15 minutes. Massage the mask into the skin until absorbed or remove excess. See professional protocols.

Composition

Aloe Barbadensis Leaf Extract, Aqua (Distilled Water), Allantoin, Glycerin, Rosa Canina (Rose Hip) Seed Oil, Calendula Officinalis Flower Extract, Epigallocatechin Gallate (EGCG), L-menthyl Lactate, Dioscorea Villosa (Wild Yam) Root Extract, Punica Granatum (Pomegranate) Extract, Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron), D-beta-carotene, D-alpha-tocopherol, Rutin, L-lactic Acid, Retinyl Palmitate, Gluconolactone, Sodium Benzoate, Fragrance Oils

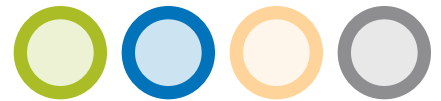

Works well with

Retail products: glōConditioning collection, glōPurifying Collection, glōRemedy Gel, glōRefreshing Mist, glōEye Restore, glōProtecting SPF 30

Professional products: All glōtherapeutics chemical exfoliation products, glōPumpkin Enzyme Scrub

glōCalming Seaweed Mask

Mission Statement	An antioxidant rich clay based mask designed to soothe, nourish and purify with herbal ingredients. Excellent for skin recovering from exfoliation treatments, skin experiencing stress, or for skin simply in need of healthy and calming attention.
Recommended For	All skin types and all skin conditions except for skin experiencing erythema and heat
Active Interest	Algae Extract - protects the mitochondria and increases the ATP levels of skin cells, allows for cell turnover Wheat Protein - purifying and nutritious seaweeds Arnica Montana - plant extract that helps repair damage, reduce swelling and minimize bruising Bentonite & Kaolin - purifying and detoxifying mineral clays that absorb excess oil Fucus Vesiculosus Extract - a seaweed that helps improve skin texture and enhance elasticity Macrocystis Pyrifera - purifying and nutritious seaweeds Calendula Extract - soothes and calms skin
glōComplex	Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitrone)
pH	6.38
Directions	Apply a thin, even layer over clean skin and let sit for 10-15 minutes, gently remove. See professional protocols.
Composition	Aqua (Distilled Water), Glycerin, Glyceryl Stearate, Bentonite, Kaolin, Cetyl Alcohol, Stearic Acid, Sorbitol, Algae Extract, Ascophyllum Nodosum Extract, Carageenan, Fucus Vesiculosus Extract, Hydrolyzed Wheat Protein, Hordeum Vulgare (Barley) Extract, Arnica Montana Flower Extract, Linum Usitatissimum (Linseed) Seed Oil, Prunus Amygdalus Dulcis (Sweet Almond) Protein, Althaea Officinalis Root Extract, Olea Europaea (Olive) Oil, D-alpha-tocopherol, Macrocystis Pyrifera, Spirulina, Chlorophyll, Aloe Barbadensis Leaf Extract, Retinol, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitrone), Allantoin, Lecithin, Daucus Carota Sativa (Carrot) Extract, Anthemis Nobilis Flower Extract, Benzyl Alcohol, Glycerol Ricinoleate, Titanium Dioxide, Calendula Officinalis Flower Extract, Chamomilla Recutita (Matricaria) Leaf Extract, Simmondsia Chinensis (Jojoba) Seed Oils, Xanthan Gum, Fragrance Oils, Gluconolactone, Sodium Benzoate
Works well with	Retail products: glōPurifying collection, glōRetinol CS, glōRenew Serum, glōEye Restore, glōProtecting SPF 30 Professional products: glōEnzyme, glōPumpkin Enzyme Scrub, glōBrightening Polish, glōSalicylic 30%, glōGlycolic 30%/60%, glōModified Jessner, glōAlpha Beta 17%, glōTriplex

glōPumpkin Enzyme Scrub

Mission Statement

Provides a blend of physical and enzymatic exfoliants to help breakdown dull, rough skin and impurities without damaging or irritating skin. Supportive conditioning and nourishing actives maintain skin's balance and moisture content while antioxidants help increase skin's strength and resistance to environmental stress.

Recommended For

All skin types and skin conditions, except for very sensitive skin

Active Interest

Date Seeds & Jojoba Beads – provide natural, gentle physical exfoliation without stress to the skin

Zeolite – a porous mineral that has the ability to help trap impurities and remove from the skin

Pumpkin Enzymes – naturally rich in antioxidant bioflavonoids and vitamin A that assist in breaking down dead and irregular cellular buildup

Fungal Protease – mushroom enzymes that help breakdown fats, proteins and carbohydrates

Fruit Enzymes – soften and smooth the skin

Rice Extract – an exfoliant that is moisturizing, conditioning and soothing

Phospholipids – fatty molecules that help strengthen skin cells and enhance permeability

Sphingolipids – fatty molecules that help protect cell surfaces against harmful environmental factors

glōComplex

Phyllanthus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitrone)

pH

6.17

Directions

Using a small amount, massage into dampened skin and leave on for 5-10 minutes. Rinse clean and follow with glōSerums and/or glōMoisturizers. May be used 2-4 times per week. See professional protocols.

Composition

Aqua (Water), Hamamelis Virginiana (Witch Hazel) Extract, Glycerin, Phoenix Dactylifera (Date) Seed, Jojoba Beads, Caprylic/Capric Triglyceride, Stearic Acid, Cetyl Alcohol, Aloe Barbadensis Leaf Extract, Zeolite, Xanthan Gum, Oryza Sativa(Rice), Honey Extract, Phospholipids, Sphingolipids, Hyaluronic Acid, Fungal Potease, Cucurbita Pepo (Pumpkin) Enzymes, Fruit Enzymes, Phyllanthus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitrone), Titanium Dioxide, Glycol Distearate, Dimethicone, Allantoin, D-alpha-tocopherol, Astaxanthin, Cinnamomum Cassia Leaf Oil, Eugenia Caryophyllus (Clove) Leaf Oil, Zingiber Officinale (Ginger) Root Oil, Benzyl Alcohol

Notes

Color may shift over time due to air, light, temperature exposure and the natural interaction of actives and fruit extracts.

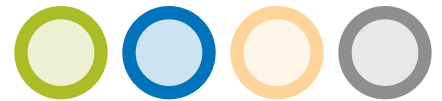

Works well with

Retail products: glōConditioning collection, glōPure Hydration, glōPeptide +Defense, glōSuper Serum, glōBrightening Serum, glōRefreshing Mist, glōEye Restore, glōProtecting SPF 30

Professional products: glōRestorative Mask, glōSoothing Gel Mask

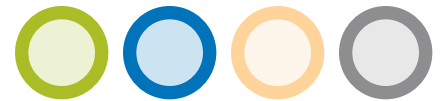

glōBrightening Polish

Mission Statement	The combined activity of physical resurfacing and natural brighteners give unparalleled results against age spots. Dead skin and debris are removed to clean and open the skin's surface, allowing for enhanced absorption of the brighteners.
Recommended For	All skin types and hyperpigmentation, sun & environmental damage, freckling, dull complexion When followed with the glōBrightening Serum, the treatment delivers accelerated results.
Active Interest	Turmeric Extract – contains curcuminoids, which are phytochemicals with anti-inflammatory, antioxidant and healing effects Tyrostat™ (Rumex Occidentalis Extract) – natural tyrosinase inhibitor derived from the Western Dock plant Lumiskin® (Diacetyl Boldine) – a tyrosinase inhibitor naturally derived from Chilean tree bark that helps inhibit pigmentation induced by cellular stress Kojic Acid – derived from Japanese mushrooms; an effective inhibitor of melanin synthesis Applephenon™ – a specialized extract of apple that is exceptionally high in procyanidin, a phytochemical with antioxidant, antimicrobial and antimelaninogenesis effects Jojoba Beads - natural and gentle physical exfoliation without stress to the skin
glōComplex	Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron)
Directions	Apply a small amount onto clean skin 2-3 per week. Massage into skin and remove after 5-10 minutes. See professional protocols.
Composition	Aqua (Water), Hamamelis Virginiana (Witch Hazel) Extract, Glycerin, Sodium Ascorbyl Phosphate, Jojoba Beads, Polyethylene Beads, Caprylic/Capric Triglyceride, Diacetyl Boldine, Xanthan Gum, Glycerin, Rumex Occidentalis Extract, Stearic Acid, Cetyl Alcohol, Glyceryl Monostearate, Kojic Acid, Pyrus Malus (Apple) Fruit Extract, Phyllantus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitron), D-alpha-tocopherol, Allantoin, Aminobutyric Acid, Citrus Aurantifolia (Lime) Oil, Mentha Piperita (Pepper mint) Oil, Lavandula Angustifolia (Lavender) Oil, Passiflora Incarnata Flower Extract, Curcuma Longa (Turmeric) Root Extract, Titanium Dioxide, Alcohol Denat. (Ethanol), Gluconolactone, Sodium Benzoate, Phenoxyethanol, Dimethicone
Notes	It is always important to observe sun protection during a brightening program. Unprotected or excessive sun exposure can delay or inhibit results, or even exacerbate existing pigmentation problems.
Works well with	Retail products: glōConditioning collection, glōPurifying Collection, glōBrightening Serum, glōRetinol CS, glōEye Restore, glōProtecting SPF 30 Professional products: glōRestorative Mask, glōCalming Seaweed Mask, glōSoothing Gel Mask

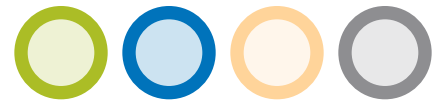

glōEye Restore

Mission Statement	An eye cream that improves the appearance of fine lines and puffiness while restoring the skin's texture. A 3 month clinical trial showed a 57% improvement in fine lines and 27% increase in firmness.
Recommended For	Dry, puffy, fine lined eye area and for preventative measures
Active Interest	Willowherb – a natural skin smoothing agent that is an anti-irritant Palmitoyl Oligopeptide – stimulates cell growth, reduces depth of wrinkles, increases skin thickness, decreases overall skin roughness and helps correct discoloration Palmitoyl Tetrapeptide – enhances collagen and elastin production to reduce formation of fine lines Vitamin K – accelerates the resolution of bruising and may improve dark circles under the eyes Green Tea Extract – antioxidant with anti-inflammatory effects, inhibits collagenase and promotes a vasodilation response Arnica Montana Extract – according to some studies, it promotes healing, and strengthens capillaries
glōComplex	Phyllanthus Emblica (Amla) Fruit Extract, L-carnosine, Niacinamide, Spin Trap (Phenyl Butyl Nitroene)
pH:	5.5
Directions	On clean skin apply a small amount to the eye area morning and evening.
Composition	Deionized Water, Carbomer, Titanium Dioxide, Tetrasodium EDTA, Allantoin, Glycerin, Isopropyl Palmitate, Helianthus Annuus (Sunflower) Seed Oil, Vitis Vinifera (Grape) Seed Oil, Persea Gratissima (Avocado) Oil, Glyceryl Stearate, Peg 100 Stearate, Ethylene Glycol Distearate, Stearic Acid, Stearyl Alcohol, N-tert-butyl-aphenylnitroene, Niacinamide, Carnosine, Phyllanthus Emblica (Amla) Fruit Powder, Butyrospermum Parkii (Shea Butter), Cyclopentasiloxane, Cyclohexasiloxane, Tocopherol Acetate, Triethanolamine, Glycerin, Steareth-20, Chrysin, N-Hydroxysuccinimide, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide, Phytonadione, Glyceryl Polymethacrylate, Propylene Glycol, Palmitoyl Oligopeptide, Silica, Imidazolidinyl urea
Notes	If puffiness is a concern apply cool compresses, such as cool tea bags, cooled eye pillows, cucumber slices or a chilled spoon. The coolness and pressure will decrease swelling.
Works well with	Retail products: All glōtherapeutics retail products. Professional products: All glōtherapeutics professional products.

glōProtecting SPF 30

- Mission Statement** Broad spectrum UV protection in a light moisturizing base that can be comfortably worn by virtually all skin types. Functions as a hydrator and sun protector in one product.
- Recommended For** All skin types, well suited for oily skin types and general preventative care
- Active Interest** **Blend of sun protection ingredients** – provides full spectrum (UVA/UVB) protection
L-sodium Hyaluronate – (hyaluronic acid) enhances elasticity and hydration in the skin; also has healing properties
D-alpha-tocopherol – antioxidant and emollient with healing properties
- Directions** Apply once or twice daily and repeat when necessary. Not intended for beach use. Non-waterproof.
- Composition** **Active Ingredients:** 7.5% Ethylhexyl Methoxycinnamate (Octinoxate), 6% Benzophenone-3 (Oxybenzone), 5% Ethylhexyl Salicylate (Octisalate), 1% Butyl Methoxydibenzoylmethane (Avobenzone) (Parsol 1789)
Inactive Ingredients: Aqua (Water), Caprylic/Capric Triglyceride, Cetearyl Oliviate, Sorbitan Oliviate, Hydrolized Corn Starch, Diethylhexyl 2,6-Naphthalate, C12-15 Alkyl Benzoate, Gluconolactone, Sodium Benzoate, Squalane, Glycerin, Cyclopentasiloxane, Cyclomethicone, Caprylyl Glycol, Phenoxyethanol, Aminomethyl Propanol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Xanthan Gum, D-alpha-tocopherol, EDTA, L-sodium Hyaluronate
- Works well with** Retail products: All glōtherapeutics retail products.
Professional products: All glōtherapeutics professional products.

glōRefreshing Mist

Mission Statement A hydrating spray delivering nutrients to moisten, soothe and calm dry, irritated skin.

Recommended For All skin types and conditions, post-exfoliation, sensitive, red/irritated, dry

Active Interest

Punica Grenate (Pomegranate) Extract - anti-inflammatory agent that restores skin tone, suppleness and increases moisturization

Sodium Hyroluronate - a natural component of skin's tissue that provides water-binding properties to aid in skin moisturization

Sodium PCA - delivery of this humectant ingredient helps restore and maintain optimal skin hydration

Directions Spritz face as often as needed or desired.

Composition D.I. Water, Glycerin, Matricaria Recutica (Chamomile) Flower Extract, Arctium Majus Root Extract, Commiphora Myrrha Extract, Sodium Pca, Punica Grenate (Pomegranate) Extract, Hyaluronic Acid, Allantoin, Ascorbic Acid (Vitamin C), Retinyl Palmitate (Vitamin A), Vitamin K, Tocopheryl Acetate (Vitamin E), Camellia Senesis (Green Tea) Extract, Matricaria Recutica (Chamomile)Oil, Lavender (Lavandula Officinalis) Oil, Orange (Citrus Aurantium) Oil, Rose Geranium (Pelargonium Graveolens) Oil, Rosewood (Aniba Rosaeodora) Oil, Tangerine (Citrus Reticutala) Oil, Imidazolidinyl Urea

Works well with Retail products: All glōtherapeutics retail products.

Professional products: All glōtherapeutics professional products.
